## OFFICE OF THE SECRETARY TO THE PRESIDENT

New Delhi, the 9th June 1951

No. 26-Pres./51.—The President has been pleased to award the President's Police and Fire Services Medal for gallantry to the undermentioned officer of the Uttar Pradesh Police:—

Name of the Officer and rank.—Rajju Singh (deceased) Constable, Agra District, Uttar Pradesh.

Statement of services for which the decoration has been awarded.—On the morning of May 29, 1949, Constable Rajju Singh and Constable Mashuq Ali of Police Station Firozabad were on patrol duty in villages Kashipura, Ramdaspur and Usmanpur situated in the ravines of the river Yamuna. While they were returning to the Police Station they were taken unawares by gun shots fired in quick succession. As at the moment the Constables were on a table land in uneven country, they receded a bit to take cover when more shots were fired at them. After taking position behind a bush, Constable Rajju Singh returned the fire while his companion took cover behind a tree close by. The assailants who were many in number then extended themselves on three sides. Seeing this, Mashuq Ali was scared and warned Rajju Singh against seeking an encounter. Undaunted, Rajju Singh kept on firing until he was wounded fatally. The dacoits decamped with Rajju Singh's musket, bandolier and cap.

In this encounter Rajju Singh showed courage, determination, devotion to duty and gallantry of a very high order.

2. This award is made for gallantry under rule 4(i) of the rules governing the award of the President's Police and Fire Services Medal and consequently carries with it the special allowance admissible to officers of and below the rank of Inspector of Police as provided in rule No. 5.
